PROGRAM DESCRIPTION

EnhanceFitness focuses on dynamic cardiovascular exercise, strength training, balance, and flexibility — everything older adults need to maintain health and function as they age. Led by a certified instructor, classes are held three times a week in community settings and are a great workout. Each class may include up to 25 participants and participants may either be amongst peers of their own level of fitness or a group of various fitness levels from the frail to the more fit older adult.

PROGRAM BENEFITS

Participants completing the program report experiencing:

- Increased strength
- Greater activity levels
- Decreased depression
- Improved social function

WHAT IS PROVIDED TO PARTICIPANTS

Classes meet three times per week for an hour. Each class offers:

- 5-minute warm-up
- 20-minute aerobics workout that gets participants moving, or a walking workout to lively music
- 5-minute cool-down
- 20-minute strength training workout with soft ankle and wrist weights (0 up to 20 pounds)
- 10-minute stretching workout
- Balance exercises throughout the class
- Social interaction
