

## WHY MAKE A REFERRAL?

- Patients are more likely to quit when advised by a health care provider.
- Quit Line coaching can more than double a tobacco user's chances of quitting. Quit Line coaching combined with medication (such as NRT) can more than triple the chances of quitting.
- Those who successfully quit reduce their risk for stroke, heart disease, and a number of cancers and other diseases.
- Those who successfully quit save money.

## PROGRAM DESCRIPTION

Quitting tobacco isn't easy. The Utah Tobacco Quit Line (1-800-Quit-Now) is a free telephone coaching program that can help tobacco users end their addiction. [Waytoquit.org](http://Waytoquit.org) has information about the quit line as well as online coaching.

## WHAT IS PROVIDED TO UTAH'S TOBACCO QUIT LINE PARTICIPANTS

- A trained coach will talk with a participant to help them develop a personalized quit plan
- Receive up to five individually tailored sessions with a coach
- Get a self-help booklet and information about online resources
- Opt in for text messaging reminders and support
- Receive information about how to help a friend or family member to quit
- Discuss options for medications, including free Nicotine Replacement Therapy to eligible callers (youth are not eligible for NRT)

## WHAT IS PROVIDED TO ONLINE COACHING PARTICIPANTS

- A personalized quit plan
- A quitting coach
- Guided processes for setting a quit date, conquering urges, choosing a medication, or getting social support
- Interactive lessons, worksheets, videos, articles, and podcasts
- Track progress and monetary savings
- Free Nicotine Replacement Therapy for eligible participants
