PROGRAM DESCRIPTION

The Arthritis Foundation Exercise Program is a community-based recreational program specifically designed to teach adults with arthritis how to exercise safely. Trained instructors cover a variety of range-of-motion exercises, endurance-building activities, relaxation techniques, and health education topics. All of the exercises can be modified to meet participant needs and abilities.

PROGRAM BENEFITS

Participants completing the program report experiencing:

- Improved functional ability
- Decreased depression
- Decreased pain
- Increased confidence in one's ability to exercise

WHAT IS PROVIDED TO PARTICIPANTS

Classes meet two or three times per week for an hour. One session is typically 8 weeks long, but many locations offer ongoing classes and participants can continue attending as long as they wish. Each class offers:

- Range of motion exercises and stretches
- Endurance exercises
- Strength building exercises
- Health education
- Relaxation techniques
- Social interaction
