# **Arthritis Foundation Exercise Program**

# WHY MAKE A REFERRAL?

- 1 in 5 Utah adults (410,000) report having been diagnosed with Arthritis<sup>1</sup>.
- 46.7% of adults with arthritis report being limited in their usual activities, work, or social activities<sup>1</sup>.
- 23.3% of adults with arthritis report engaging in no physical activity<sup>1</sup>.
- 48.5% of adults with arthritis report too little physical activity to meet national recommendations<sup>2</sup>.

## **PROGRAM DESCRIPTION**

The Arthritis Foundation Exercise Program is a community-based recreational program specifically designed to teach adults with arthritis how to exercise safely. Trained instructors cover a variety of range-of-motion exercises, endurance-building activities, relaxation techniques, and health education topics. All of the exercises can be modified to meet participant needs and abilities.

### **PROGRAM BENEFITS**

Participants completing the program report experiencing:

- · Improved functional ability
- · Decreased depression
- · Decreased pain
- · Increased confidence in one's ability to exercise

# WHAT IS PROVIDED TO PARTICIPANTS

Classes meet two or three times per week for an hour. One session is typically 8 weeks long, but many locations offer ongoing classes and participants can continue attending as long as they wish. Each class offers:

- Range of motion exercises and stretches
- · Endurance exercises
- · Strength building exercises
- · Health education
- · Relaxation techniques
- · Social interaction
