

Living Well Healthcare Provider Recommendations Bi-Directional Physician Portal

Recommend your patients to self-management programs

Why recommend self-management programs? Patients are more likely to engage in preventive health behaviors when a healthcare professional recommends them. Get started today!

Step 1: Visit our site at www.livingwell.utah.gov
Click the top link, for the **Healthcare Provider** page.

Step 2: Review all our classes and services.

Step 3: Click on **Patient Referrals** to begin.

Step 4: Register as **Physician** the first time and receive a one-time **Fax Verification Code**.

Step 5: Return to the **New Physicians** section, and enter the **Fax Verification Code**.

Step 6: Return and **Register a Patient** for a self-management workshop or wait list.
